

Business Consultant (US)

Eze Castle Software, a member of BNY ConvergeEx Group, is seeking a Business Consultant for our New York, Connecticut, San Francisco and Boston offices. Eze Castle Software is a leading, global financial services technology company based in the US with offices located across the US and UK. We provide our clients with real-time, global investment technology solutions to automate their investment process. Our core offering, the Eze OMS, streamlines the trading workflow by bringing together the functionality to support portfolio management, compliance, trading, and operations in a single platform. BNY ConvergeEx Group is a premier provider of agency trading and award-winning investment technology.

As a Business Consultant, you will be on the front lines of the company, installing our software at client sites and managing an ongoing client base. Whether based in Boston, New York, Stamford, or our San Francisco office, you'll deal directly with traders and portfolio managers on a daily basis and troubleshoot trading-related issues.

Functions:

This position requires extensive problem solving skills, the ability to think quickly and calmly on your feet in pressure situations, and the aptitude to understand our client needs and expectations. The consultant position does not require the actual coding of software; however, it does require a solid understanding of our software and how to implement and integrate it with many other systems.

Qualifications:

A Bachelors Degree is required and interpersonal skills are a must, since the majority of the time spent working is on site with clients.

The ideal candidate will be highly motivated self-starters willing to learn in detail two dynamic industries: technology and financial markets; have knowledge and/or experience with financial markets and a few years experience in the Windows environment with the ability to install client/server software and troubleshoot problems. Knowledge of SQL or MS SQL Server will be a plus.

Candidates must be able to work with all levels of management and staff, clients, and vendors and handle confidential, time-sensitive, and critical details. Some travel (up to 10%) may be required.

Benefits:

Compensation includes a competitive base salary and performance bonus with excellent benefits.

To apply for this position, please forward your resume and contact information to future@ezecastlesoftware.com.
